
TENERIFE BLUETRAIL 2019. BLUETRAIL CHALLENGE REGULATIONS

Article 1. Ethics and Values:

All the participants in Bluetrail Challenge share a series of values that make the race an exemplary event, emphasising:

- 1. Equity:** understood as equality in application and fulfilment of the rules.
- 2. Respect for people:** correct behaviour toward the rest of the runners, the members of the Organisation, the public and local population.
- 3. Solidarity:** helping all people who are in danger or difficulties.
- 4. Personal improvement:** increasing development of personal autonomy.
- 5. Eco-responsibility:** understood as favouring environmental conservation as a whole, achieving the least impact on the environment, using the established trails and paths. Selective waste collection must be carried out, keeping the route absolutely clean and respecting the flora and fauna.
- 6. Accessibility:** Encouraging participation by persons with reduced mobility, or any sensorial disability.

Article 2. The Bluetrail Challenge Organisation is a race under the auspices of the Island Government of Tenerife, organised by IDECO,S.A., that forms part of the Tenerife Bluetrail mountain race.

Article 3. The trial

The Bluetrail Challenge shall be held on 8 June 2019 at 18:00 h., passing through the municipal districts of Los Realejos y Puerto de la Cruz, and it shall have three modes:

1.2 KM Challenge. Route: Start at Casa de la Aduana, finish at Playa Martiáñez.

3.7 KM Challenge. Route: Start at Playa Jardín, in front of the entry to Loro Parque and urban route to the finish at Playa Martiáñez.

8 KM Challenge. Route: Start at Mirador de San Pedro, Rambla de Castro, Marítim, Playa Jardín and urban route to the finish at Playa Martiáñez.

Article 4. On the participation conditions

Participation in the Bluetrail Challenge is open to all federated disabled athletes, or those who have a medical certificate that proves their physical condition to perform the trial. Proven medical certification of 33%, either physical as well as cognitive, over 18 years old on the date of the race.

Persons with severe conditions, complex motor conditions and balance issues must always register with a person to accompany them, who must cover the whole trial to the finish line.

It is mandatory for the participants to:

1. Know and accept these Regulations, respecting the conditions established.
2. Have a proper knowledge of the inscription procedure, filling in the form.
3. Deposit waste in the bins provided for the purpose along the route.
4. Not to take any animals along, except if authorised to do so.
5. Not to use this sports event as a platform for demonstrations of any kind. Thus, it is prohibited to wear or express any kind of claims or demonstrations that are unrelated to the race.
6. Not to use substances that may be considered doping by any of the sports administrations or entities with competence in the matter, being subject to the doping controls that may be established by the Organisation.
7. To respect the environment, not to throw away any kind of waste or material and not to damage the environment on the route, either during or when training prior to the race.
8. To respect the other athletes, judges, supervisors, controls and resources of the Organisation and the public at large.
9. To follow the route marked by the Organisation.
10. To obey the instructions by the members of the Organisation at all times.

Article 5. Inscription

1. The inscription may be formalised for any of the modes, until 24:00 hours on 19 May 2019.

The places specified for the 2019 edition are for 100 athletes, distributed as follows:

- For 1.2 Km, maximum of 40 people.
- For 3.5 Km, maximum of 40 people.
- For 8 Km, maximum of 20 people.

2. To formalise the inscription, everybody who wishes to participate must complete the following steps:

- a) Fill in the inscription for the mode chosen. The cases so required by these Regulations, or if the runner wishes to be accompanied, the person chosen must also be registered to accompany.
- b) Certificate of disability in force for non-federated athletes.
- c) Sports licence in force for federated athletes.

In the case of not being federated, medical certificate to guarantee a physical state of fitness to perform the event.

3. Correct inscription by each runner will entitle them to the following services:

- a) To participate in the race.
- b) To receive their race number and chip.
Transport service from the finish at Playa Martiáñez del Puerto de la Cruz to the different starting lines.
- c) Transfer of bag with personal belongings to the finish line.
- d) Refreshments during the race.

- e) Use of the security device.
- f) Refreshments at the finishing line.

All the officially registered participants, whether federated or not, shall be covered by an accident policy arranged by the Organisation, that shall cover the risks of this type that arise directly due to participating in the trial, and never arising from latent illness, pain or suffering, or due to lack of caution, negligence, failure to observe these Regulations or the applicable higher level regulations. Nor shall the insurance cover accidents arising during travel to and/or from the trial venue, as long as this is not with the organisation's own transport.

- g) Civil Liability insurance.

3. The inscription is personal and non-transferable and implies acceptance of these Regulations.

Article 6. Specific use of data and image and rights of access, cancellation and Correction

Inscription in any of the race modes implies specific consent by the participant, for the sports brand used in the race to make use of and reproduce the personal images obtained from it by any device, without a time limit, in order to promote the Tenerife Bluetrail 2018 and to broadcast information on it.

The particulars and electronic mail address of the participants are included in the data base of IDECO, S.A., the purpose of which is to manage the commercial, economic, accounting, tax and administrative relations with the athlete.

In any event, you may exercise the rights of access, correction, cancellation and opposition regarding the personal data recorded in our files, under the terms foreseen in Act 15/1999 of 13th December, for which you must submit a written application to IDECO, S.A. Ref. Data Protection, C/ Mercedes s/n, Los Majuelos 38108 La Laguna.

Any change in the data provided must be notified to IDECO, S.A., so the data remains exact and up to date and matches the true present situation.

Article 7. Fees

The fee for inscription in any of the modes of the Challenge shall be € 15 and it is totally subsidised by the Sports Department of the Island Government of Tenerife.

If a person accompanying is required, no fee shall be charged.

That fee subject to a subsidy of 100% of its amount, as specifically decided by the Organisation, shall not require any application to be made by the runner.

Articles 8. Control Points

There will be staff assigned by the Organisation throughout the route, who may provide instructions that it is mandatory for the participants to obey.

Article 9. Safety

It shall be mandatory to abide by the traffic laws and to take great care on stretches and crossings on streets or roads, or when reaching crossroads. Regardless of specific support and surveillance by the Trial Organisation and the resources available at such points, the runner must take special care and caution due to these not being fully closed to traffic and having to share the road with vehicle traffic.

Throughout the route, there will be staff appointed by the Organisation to intervene if necessary. Moreover, there will be authorised staff at the control points, trained to give instructions on behaviour and to monitor the participants in the case of objective hazards, change of route, accident, or withdrawal.

The staff shall have the power to withdraw any runner's race number if they consider them to be unfit to finish the Tenerife Bluetrail Challenge.

Should a participant withdraw voluntarily and not inform the control point, that would cause the security teams to start an unnecessary search, for which the participant shall be required and must bear all the expenses of the safety teams arising from such negligence.

Article 10. Refreshment points

1. Two refreshment zones shall be set up, one at Hotel Maritim and the other at the Finishing Line.

If, prior to commencement of the event, the Organisation were to understand it to be necessary to increase the number of refreshment points, it shall specifically notify each runner. The runners will have drinks free of charge at the refreshment points.

2. It is mandatory to deposit waste generated in the bins provided for that purpose at each one of the points.

3. The refreshment point manager may limit or prohibit those accompanying from access in order to facilitate the management.

Article 11. Race numbers and Chip

1. The race number shall be provided at the race number delivery. Both elements shall match the mode the runner is participating in.

2. To collect these, the runner must show the Organisation staff their National Identity Card, passport or public document that provides certifiable proof of the identity and age of the participant, as well as that of those accompanying.

3. During the trial, the runner must wear the race number (including the chip) at all times, in a properly visible place. The race number and chip are non-transferable and personal.

Article 12. Change in the race route

The Organisation reserves the right to be able to change the route or change the time bands for safety and organisational reasons, or other reasons of force majeure.

Article 13. Voluntary and mandatory withdrawal

1. Should a participant decide to withdraw from the trial, it is mandatory to notify the Organisation staff. If not able to reach the refreshment point on their own, they must immediately telephone the Organisation on the number printed on their race number.
2. The Organisation may temporarily halt a runner, or order them to leave the trial if they consider their state is a hazard to their safety.

Article 14. Suspension, postponement of the Bluetrail Challenge

1. The Organisation reserves the right to suspend or postpone the trial to a later date, under objective situations of risk that might be a hazard to the safety and integrity of the participants (weather alerts, forest fires, landslips, etc.).
2. If the trial is postponed before its commencement due to any of the reasons stated above, the Organisation shall attempt to hold it within the following 48 hours, if that is possible. The maximum term to hold the postponed trial shall be the current year, until 31st December. If the postponed trial cannot be held, its suspension shall immediately be notified.

Article 15. Prizes

All the participants in the Bluetrail Challenge shall receive a prize.

Article 16. Amendments

These regulations may be corrected, extended or improved at any time by the Organisation. Inscription in the trial proves the participant approves these Regulations and the amendments that may be made in them, which shall immediately be published on the official web page of the Tenerife Bluetrail.
